2007 XXXX GOLD LISMORE CUP INFORMATION PACKAGE & ORDER FORM

Lismore Cup is approaching – Book your marquee site now!!

The XXXX Gold Lismore Cup Day for 2007 will be held on Thursday September 27th and is a social extravaganza. This is reflected in the ever increasing number of corporate marquees being booked each year.

All marquee sites will cost \$300 (incl. GST) which will include the provision of a R.S.A. trained bar attendant in your marquee, appropriate R.S.A. signage, bar service tables, drink tubs with all ice, plus stock control attendants which allow extra drinks to be ordered throughout the day or left over drinks to be credited back at the conclusion of the festivities. Your only responsibility is to provide or hire a marquee (with tables & chairs if required) and write the size needed on the order form.

This year we are offering three catering options, although you are quite welcome to provide your own catering. Actual menus and pricing can be viewed on the Catering Pages attached.

Due to its popularity over the last two years, the Winning Circle Marquee will again be offered to smaller groups or individuals looking to join in the marquee style hospitality. This marquee will be located in a prime location close to all facilities, will have its own bar, TAB and big-screen TV, and will be open to limited numbers.

Cost will be \$100 per person (\$90 for LTC Members) and will include racecourse entry, racebook, reserved seat in the marquee, a quality 2 course smorgasbord luncheon plus all drinks included (beer / wine / soft drinks) . This all inclusive package will guarantee a comfortable day at the races at a very reasonable price. Bookings can be individual or a full table will seat 8 people.

Marquee bookings and drink/food orders, along with the \$300 site fee, must be with the Lismore Turf Club by Wednesday 12th September. For bookings in the Winning Circle Marquee, please fill out the appropriate section on the order form and return with full payment so that tickets can be issued.

Yours sincerely
